

Bilingual Recruitment Consultant based in London, Executive Search - Pharmaceuticals

We are seeking applications from experienced bilingual recruiters to apply their existing skills to solving the talent shortages of some of the pharmaceutical industries leading organisations. You must have:

- **Minimum of 2 year recruitment experience**
- **Fluency in English and another European language**
- **Educated to degree level**
- **London based or prepared to relocate.**

Basic salary £20,000 to £25,000 + uncapped commission = realistic year one OTE £50,000

Based in London EC1, we are a dynamic specialist Recruitment Agency which uses executive search methods to recruit some of the pharmaceutical industries brightest minds on behalf of our established global client base.

There is an excellent and collaborative team spirit, as well as being encouraged to innovate and think outside the box our consultants offer constructive, entrepreneurial and forward thinking ideas to assist in the development and growth of the company. As a team we share a common purpose to be the agency of choice for our clients and primary supplier of talent to our industry.

This is an opportunity to grow professionally and to develop your career quickly by working with market leading consultants and a highly experienced and internationally recognised management team. We provide full training, development and support which enables each new person to become a successful consultant and to build expertise and a strong reputation within their given region and specialism.

We operate a true meritocracy where remuneration and career development is based on ability rather than tenure.
